### Hospice of the Golden Isles Named as National 2014 Hospice Honors Elite Recipient

Hospice of the Golden Isles (HGI) has been recognized again in 2014 by Deyta, LLC as a recipient of the prestigious Hospice Honors award. The Hospice Honors distinction is awarded to top ranking hospice agencies nationally (as determined through patient family survey scores) that deliver excellent quality care and superior customer satisfaction.

In 2014, Deyta identified an elite group of Hospice Honors recipients who exceeded national averages on all evaluated survey indicators.

HGI is among only 39 hospices out of a group of 1,700 providers nationwide to achieve the 2014 Hospice Honors Elite designation. ***Only two hospices in Georgia received this award.***

Established by Deyta, this prestigious annual award recognizes hospices that continuously provide the highest level of satisfaction through their care as measured from the caregiver's point of view. Deyta used the Family Evaluation of Hospice Care (FEHC) survey results from more than 1,700 partnering hospice agencies across the nation. "We are thrilled to present Hospice Honors for the second year in a row. We are honored to serve such a dedicated industry, and we look forward to recognizing top performers each year for their hard work and dedication," said Kevin Porter, President and CEO of Deyta.

Karen Brubaker, Hospice of the Golden Isles' Chief Executive Officer, credits the expertise and compassion of her team for being named a 2014 Hospice Honors Elite recipient. She said, "This award was bestowed upon our hospice by the families we serve who expressed their tremendous satisfaction with our care and their deep gratitude for the service we provide. This accomplishment is a reflection of our team's efforts and commitment to give their very best every day. I am enormously proud to be a part of this organization and to work alongside our team to achieve these outstanding results."
