Celebrating 5 years of award-winning care!

After earning Deyta's Hospice Honors for the 5th year in a row, a celebration was held to thank our wonderful medical team, board of directors, volunteers and administrative staff (pictured on right) for helping us become the *ONLY* hospice in Georgia to earn this distinction! At Hospice of the Golden Isles, we are proud to offer *The Best Care When It Matters Most!*

Grateful for our generous community!

Hospice of the Golden Isles is proud to be a [United Way of Coastal Georgia](#) Community Partner. The HGI Residential Hospice Care Program is supported in part by a grant from United Way of Coastal Georgia.
