A Gift from the Terry Thomas Foundation

Terry Thomas' love for her community remains the mission of the foundation established in her name. Thomas supported Hospice of the Golden Isles over the years, and the Terry Thomas Foundation recently echoed that support with a \$10,000 donation to HGI. Pictured: Susan Goodhue and Dewey Benefield of the Terry Thomas Foundation present a check to HGI's CEO, Karen Brubaker, and Patty Crosby, VP of Development.

Brubaker said, "We are so grateful to receive generous, faithful support from the Terry Thomas Foundation. The Foundation's 2017 grant award will help us improve our information technology infrastructure through the purchase of new laptops and tablets to better coordinate patient care."
