Early Christmas Gift for Hospice!

Thanks to the generosity of the family and friends of the late Dr. William O. Inman, Jr., Mary "Bebbee" Inman, and Beth (Inman) Jordan, an Endowment Fund is being created in their memory to support families served by Hospice. "Gifts will be made in honor of all healthcare professionals in southeast Georgia by supporting Hospice of the Golden Isles' mission of providing services regardless of ability to pay," says William O. Inman, III, the initial supporter of the Fund. If you would like to contribute to this permanent fund, contact Patty Crosby at 912-617-1463 or pattycrosby@hospice.me.

Special Thanks to Dove Society!

Dove Society members enjoyed a reception in their honor prior to the *Lights of Love* remembrance service on the Hospice campus. "The [Dove Society](#) is vital to our non-profit mission of serving our community. Members are part of a special circle of giving and we are very appreciative of their generosity," says Patty Crosby, VP of Development for Hospice of the Golden Isles. Members are invited to attend the inaugural Dove Society Party on March 10, 2018 at a private home on St. Simons Island.

Lights of Love Lifts Holiday Spirits

On December 7th, neither rain nor freezing cold weather could dampen the spirits of the almost 200 people who attended our annual holiday tradition *Lights of Love*. "This community event is truly a celebration of life, love, and giving as we remember our loved ones and honor those who are part of our hospice family," says Karen Brubaker, CEO of Hospice of the Golden Isles. Thousands of blue and white sparkling lights will illuminate the Hospice campus through the holidays.
