Major Gift from Benefield Family

Hospice of the Golden Isles is grateful to be a beneficiary of the Benefield family generosity in memory of Miriam "Tiggie" Benefield. Not only did the family make a major gift directly to HGI, they also made a donation to the Hospice of the Golden Isles Endowment managed by the Communities of Coastal Georgia foundation. "The Benefield family believes in the mission of Hospice of the Golden Isles. We want to help ensure that everyone is able to benefit from the same level of care our beloved Tiggie received," says Dewey Benefield. If you would like to contribute to this permanent fund, contact Patty Crosby at pattycrosby@hospice.me or call 912-617-1463.

Freezing Outside: Warmth Inside

On January 3rd, freezing temperatures, ice, and a power outage didn't stop our amazing hospice team from providing warmth and comfort to our patients at our Hospice House. "I am so appreciative of our dedicated team for going above and beyond to provide care while Coastal Georgia was under a winter weather warning," says Karen Brubaker, CEO of Hospice of the Golden Isles. Donations are being accepted for a new generator.
