## Thanks Terry Thomas Foundation!

For the second year in a row, the Terry Thomas Foundation has donated \$10,000 to support the IT infrastructure of Hospice of the Golden Isles. "We are so grateful for the faithful support of the Foundation. The 2018 grant award will help us purchase new laptops and tablets to better coordinate patient care," says Karen Brubaker, Chief Executive Officer of HGI.

## Easter Tradition from our Auxiliary!

Special thanks to our [Auxiliary of Hospice of the Golden Isles](#) for making Easter a little brighter for some of our patients by buying, and lovingly packaging Easter baskets full of yummy treats for the holiday. "This is an annual tradition that our whole staff enjoys because we know what a difference it makes in the lives of our patients whose families may not have the time nor the means to purchase such a wonderful meal," says Patty Crosby, VP of Development.
