## Honoring our *Friends of Hospice*

Generous donors, past and present, are now being honored together on our new [Friends of Hospice Wall](#) displayed in the lobby of our Hospice House. Attending the unveiling were some of our *Founders*, such as Hugh Nunnally, and Helen and Pep Peppiatt of the Virginia and Harris Robinson Family, as well as one of our *Benefactors Circle* members Dewey Benefield, and faithful fundraisers like Johnny and Joyce Thomas. ## Lights of Love Lifts Spirits

On December 6, 2018, hundreds came out to honor and remember their loved ones during our favorite holiday tradition *Lights of Love*. Thousands of twinkling white and blue lights were illuminated on our campus as family and friends sang "Let There Be Peace on Earth." "This is our 12<sup>th</sup> annual community memorial service, and every year bereaved family members tell us how meaningful this service is for them, especially during the holiday season when coping with grief can be even more difficult," says Karen Miller, CEO of Hospice of the Golden Isles.
