Bridge Run: Record Year for HGI!

17 nurses and administrative staff members from Hospice of the Golden Isles (HGI) are still smiling, despite the sore muscles after taking part in the 2019 Southeast Georgia Health System's Bridge Run. In our almost decade long history of participation, this was our biggest year yet as far the number of team members. "Our Hospice team is delighted to participate in the Bridge Run again this year, and we are honored to support the Health System's good work in our community" says Karen Brubaker Miller, CEO of Hospice of the Golden Isles.
