Thank You to the Terry Thomas Foundation

The Terry Thomas Foundation recently made a contribution HGI. These funds enabled HGI to purchase patient beds for the Hospice House. Susan Goodhue, executive director of the foundation, and board member, Dewey Benefield presented the check to HGI CEO, Karen Miller. They were accompanied by members of the HGI development and marketing team.

With much gratitude, Miller stated, "We are truly appreciative to the Terry Thomas Foundation for their loyal generosity to Hospice of the Golden Isles. The Foundation's 2020 grant award will help purchase hospital beds for patient rooms to ensure the comfort of our patients in our Hospice House."
