## HOSPICE HONORS ELITE

### WE DID IT AGAIN!

We earned the prestigious *Hospice Honors Elite* designation for the **FOURTH** time! We have received the Hospice Honors award all **EIGHT** years it has been presented. The expertise and compassion of our hospice team sets us apart from other hospices and it is reflected in this special recognition. This honor is bestowed upon us by the families we serve who expressed their tremendous satisfaction with our care and deep gratitude for the service we provide.

*"The Hospice Honors is a landmark compilation of hospices providing the best patient and caregiver experience. This prestigious annual review recognizes hospices that continuously provide the highest level of quality as measured from the caregiver's point of view."*
