### Amy Broderick breathes new energy and enthusiasm into Fundraising at HGI!

Amy is known for her community involvement in the Golden Isles over the past two decades and for the past nine years as the community and event touchstone for Hospice of the Golden Isles. She has also worked behind the scenes building our social media presence as well as marketing and advertising for HGI.

In Amy's new role as **Development and Community Relations Manager**, she is applying her 20 years of sales, marketing, and community relations experience to focus more specifically on educating potential donors about the value of supporting patient care at HGI. These conversations come easy to Amy as she herself experienced first-hand the compassionate care provided to her mother and family twelve years ago...

## Kind Words from Families We've Served

We often receive letters of thanks and obituary mentions from families whose loved ones we have cared for. These words fuel our care team to provide the best end-of-life experience and we'd like to share a recent obituary mention here:

***"The family would like to give a heartfelt thank you to (our father's) loving and courageous Registered Nurse along with his most cherished CNA, both of Hospice of the Golden Isles. The team from HGI were loving, caring and professional. They also became our friends and family."***

## Mark Your Calendar...

August 22: **R.E. Thomas Memorial Benefit**

November 11: **Veterans Day Lunch, SSI**

December 3: **Lights of Love**

*It is our hope to host these events at their scheduled times and places. However, we will make necessary adjustments, as needed, for each event to enjoy them in a safe and responsible manner.*
