ARTrageous Bras VOTE #29

This annual FUNdraiser for the Southeast Georgia Health System's Cancer Center is in full swing.

Our very own super-creative volunteer coordinator, Trish Burns incorporated her love of animals into a clever theme for this year's bra entry...

"So they call it **PUPPY LOVE!**"

Did we mention she has *mad* skills with a glue gun?

Votes are \$1 each and you can vote as many times as you wish from October 1 - October 31!

Hospice of the Golden Isles Affiliates with Alivia Care of Georgia

On Monday, August 31, 2020, Hospice of the Golden Isles became the first affiliate and one of the founding members of Alivia Care of Georgia, a like-minded nonprofit organization committed to supporting and sustaining community-based mission-driven hospices throughout Georgia.

HGI Board Chair, the Rev. Tom Purdy, said, "Under the Alivia Care of Georgia umbrella, high-quality community-based not-for-profit hospice agencies throughout the state will be **Stronger Together, Stronger Than Ever.**"

He also explained that although HGI is a strong, well-run hospice organization with excellent care and strong community support, the board recognized changes were coming that would pose significant challenges for community-based hospices. In order to continue to serve the local

community and maintain its commitment to providing care to all who needed it, collaborating with a larger organization to share resources and access more support was essential. The affiliation is a result of two years of work and discussions between two organizations committed to nonprofit hospice care.
